

Tribe of Mannaseh

Adult Warrior Recommendation

Membership in the Tribe of Mannaseh is conferred upon adult Scouters who participate in long-term camping at a Lewis & Clark Council Boy Scout Camp and who exemplify quality leadership skills. While this is a program designed to be conducted primarily of and for youth, it is necessary and important that we have caring adult leaders within the Inner Circle who can guide the younger tribesmen and help them understand and live up to their responsibilities.
