

Tribe of Mannaseh

Recommend for Firebuilder,
Tom-Tom Beater or Runner

From time to time, the Tribal Council may bestow upon Warriors additional responsibilities and opportunities for service to the Tribe. These roles are collectively referred to as “paint stations” because each new responsibility is publicly identified by a unique color of paint on the tips of the Warrior’s claws. The specific requirements for each paint station are described in the “Tribal Handbook”. But, as with other tribal recognitions, these paint stations are not something that can be sought or earned; each elevation begins with the tribesman being nominated by his unit leader or another qualified tribesman.

This form applies to youths who attained the rank of Warrior prior to the age of 18. They must continue to be active in their Scouting unit, continue to live up by the Scout Oath and Law and exemplify the ideals of Mannaseh. Please indicate which paint station you are recommending this tribesman for.

- Warrior to Firebuilder (orange paint)
- Firebuilder (orange) to Tom-Tom Beater (green paint)
- Tom-Tom Beater (green) to Runner (blue paint)
