

Tribe of Mannaseh

Warrior Recommendation

Membership in the Tribe of Mannaseh is bestowed upon Scouts and leaders who successfully complete all of the tests prescribed by the Tribal Council. He will generally be a seasoned camper and mature enough in thought and deed to understand the obligations of a Tribesman.

Star Scout Position of Leadership in Unit

Remember that Mannaseh was developed to recognize the true leaders in our troops so the standards for membership are high. But, campers should understand that *any Scout can become a member of the Tribe of Mannaseh at any time*. The real qualifications for membership are advancement in Scout rank and demonstrated leadership of young Scouts.
